How to catch the train

- Haverfordwest station is situated in Cartlett. It has a free car park which takes about forty cars, but is known to fill up. If picking up or setting down friends, you can drive right to the platform entrance.
- Some buses, generally Richards Brothers, go right to the station entrance, while others go no closer than the bus station in town, about ten minutes walk away. A map on the outside station wall explains how to get from one to the other.
- You can buy a ticket for your whole rail journey in advance or from the conductor on the first train you catch.
- The booking office at Haverfordwest station is open each weekday morning, from early until about 13.00 and can supply advance purchase tickets. If the booking office is open, you should buy a ticket before you board the train, or you will be charged full fare by the conductor.
- Rail agents, Activity Wales, Narberth Road, Haverfordwest can also make advance bookings.
- The station has a large covered waiting area, and a buffet which is open every day from early until 5pm (2pm Sundays). There is also a Newsagents stall in the booking hall.
- At Johnston, Clarbeston Road, Clunderwen, Ferryside, Kidwelly and Gowerton trains only stop by request. If you want to leave the train at one of these stations, let the guard know when you start your journey. If you want to board the train at one of these stations give a hand signal to the driver in good time, as the train approaches.

HVERFORDWEST RAIL GUIDE

Winter 2008/9

14th December 2008 - 16th May 2009

*Get out of traffic
And into training!*

Your station now has an excellent, regular interval train service giving access to the UK rail network. Every two hours you can catch a through train to Manchester. A single change at Cardiff will get you to London and many other useful places. A second change will take you almost anywhere in the UK. It is probably a lot faster than you think, and cheaper than the papers would have you believe. Eleven trains each week day serve your station in both directions. Inside this brief guide you will find all the details.

Currency of information: Under an EEC directive, a new train timetable is produced each June and December. In the UK, times of trains generally change in May(for summer) and September(for winter)! Today's general service pattern is franchised until October 2018. But from time to time there will be detail changes. The latest version of this leaflet will be on the PRTA website at www.pрта.org.uk from where you can print a copy. Always check train times with National Rail before you set out.

Sample fares

Fares - a complex subject. Here are some samples to give you an idea of how far you can go with your money. They are correct at the time of writing, but fares tend to increase each year in line with inflation

Standard day returns (out any train, back any train same day as far as Newport), Carmarthen £7.10, Swansea £11.20, Cardiff £18.60, Newport £22.20. A day return is usually not much more than a single.

Saver returns (not available on certain trains, just turn up, buy ticket and return within a month), London £71, Bristol £33, Manchester £64, Penzance £92, Glasgow £142.

Advance purchase (various schemes - like APEX, Advance Purchase Excursion) can reduce price of return ticket dramatically, London £30, Bristol £22, Manchester £26, Basingstoke £29, Penzance £37 and Glasgow £57. These are probably the cheapest prices you will get. Ask at station or travel agent and book well in advance naming the train(s) on which you will travel, though some seats will not be available until a few weeks before the date of travel.

Pembrokeshire Rail Travellers Association (see box below) can supply a four page booklet giving more detail on fares, or you can go and talk to your local travel agent or surf the net.

This guide was produced by the Pembrokeshire Rail Travellers Association (PRTA) who have done their best but accept no responsibility for the accuracy of the information it contains.

The PRTA is a voluntary group working to improve transport in the county. Members receive six newsletters a year and information on train times and fares. If you would like to help us try to improve rail services, you can join us by sending your name, and email address and £4 (all PRTA material comes by email) or postal address and £7 (all PRTA material comes by post) to our membership secretary: Robert Best, 11 Warwick Road, Milford Haven SA73 2LP.

For more information on the PRTA, for further/latest copies of this guide, see www.pрта.org.uk

Please notify any errors with the guide to Peter at taberna@inn01.freeserve.co.uk

The PRTA has neither the expertise nor the resources to produce a Welsh language version of this guide. Should any reader wish to volunteer a translation, we will happily include it on the web site.

Bargains

The **Pembrokeshire Railcard** can save you money on train fares, especially local journeys. It costs £5, lasts a year and entitles you to a third off the cost of savers and day returns as far as Swansea. So you can get to Carmarthen and back in a day for £4.80 and Swansea £7.50. You can buy your card at Milford or Haverfordwest station or at Milford Travel. If you have no rail card of any kind yet you will need to take two passport photos with you. Otherwise take your existing rail photocard.

Group Wales allows a group of between three and nine people to travel out and back together at "25 percent off the full price ticket". Arriva allows it on *standard day returns* from Pembrokeshire (all day Saturdays and Sundays, and after 9am Monday to Friday). Each of the group could therefore travel to Cardiff and back for £13.95. Just ask on the day.

If you are over 60, a **senior citizen railcard** may help you. It costs £24 for a year, but if you live in Pembro you can claim back £12 from the County Council. It will give you a third off most tickets, but not Apex. Buy one from Milford or Haverfordwest station, Milford Travel or Council Offices at Haverfordwest or Llanion.

Other railcards which give a third off include **Young person's, Family, and Disabled persons railcard**.

If you travel out from Milford beyond Carmarthen, you can, should it prove more convenient return to Pembroke Dock and vice versa. This could be especially useful to those who start from Neyland.

For a train/walk day out, the **West Wales day ranger** costs £7.80 and allows you a day's unlimited travel (after 08.45 Mon-Fri, all day Sat/Sun) on all lines west of Carmarthen (to Milford, Pembroke Dock and Fishguard).

For small add-on to your rail ticket, **Plus bus** allows you 'unlimited' travel on buses in the area around your destination. The rules are all slightly different for each town, but plus-bus is available at Swansea, Neath, Port Talbot, Bridgend, Cardiff, Newport and Bristol. Phone Traveline Cymru on 0870 608 2 608.

For £6.60 adults and £4.40 children (£3.30 accompanied children) you can buy a **West Wales Rover ticket** which allows unlimited travel on buses (except 322) in Pembrokeshire, Carmarthenshire and Ceredigion for a day. Buy yours from the driver.

And remember, everything can change at short notice, so please check times and fares before travelling.
