## How to catch the train

- The station is in the main village street, just up under the railway bridge via a short approach road on the right.
- The approach road is very clearly marked with double yellow lines. There is no parking at the station.
- However, there is a public car park a few minutes walk down the road, just beyond the Co-op.
- You can also drive right to the platform entrance, and set down or pick up people at platform level, as long as you don't park your car there for it to be clamped.
- There is no ticket office at the station.
- You can buy a ticket for your whole rail journey in advance or from the conductor on the first train you catch.
- Various buses pass the end of the station approach. Bus stops are obvious.
- Rail agents, Milford Travel in Charles Street, Milford and Activity Wales, Narberth Road, Haverfordwest can also make advance bookings for you, or you can use the internet.
- At Lamphey, Manorbier, Penally, Saundersfoot, Kilgetty, Narberth, Ferryside, Kidwelly and Gowerton trains only stop by request. If you want to leave the train at one of these stations, let the guard know when you start your journey. If you want to board the train at one of these stations give a hand signal to the driver in good time, as the train approaches.

# KILGETTY RAIL GUIDE

## Winter 2008/9

14<sup>th</sup> December 2008 - 16<sup>th</sup> May 2009

*Get out of traffic  
And into training!*

Your railway now has an excellent, regular interval train service giving access to the UK rail network. Every two hours you can catch a through train to Carmarthen and Swansea. A single change will get you to many other useful places such as London or Manchester. A second change will take you almost anywhere in the UK. It is probably a lot faster than you think, and cheaper than the papers would have you believe. Nine trains a day serve your station. Inside this brief guide, you will find all the details.

## Trains towards Swansea

### Monday-Sat'day

07.50 to Swansea  
 09.51 to Swansea  
 11.51 to Swansea  
 13.52 to Swansea  
 15.53 to Swansea  
 17.52 to Swansea  
 19.56 to Cardiff  
 21.56 to Swansea  
 23.00 to C'then

### Sunday

13.20 to C'then  
 16.45 to C'then  
 19.44 to Hereford  
 22.45 to C'then

All trains run to Swansea, unless shown, and normally call at *Kilgetty, Narberth, Whitland, Carmarthen, Ferryside, Kidwelly, Pembrey and Burry Port, Llanelli, and Gowerton. (Stations in italics are request stops.)*

If you want an earlier departure, or a later arrival, and you are driving to the station anyway, you may find it faster to drive to Whitland station, where the first train leaves at 06.40 (Mon-Fri) and the last one arrives back at 23.31

By changing once or twice, access to most of the UK is yours, and changing trains is usually straightforward.

**Currency of information:** Under an EEC directive, a new train timetable is produced each June and December. In the UK, times of trains generally change in May(for summer) and September(for winter)! Today's general service pattern is franchised until October 2018. But from time to time there will be detail changes. The latest version of this leaflet will be on the PRTA website at [www.prta.org.uk](http://www.prta.org.uk) from where you can print a copy. Always check train times with National Rail before you set out.

## Sample fares

Fares - a complex subject. Here are some samples to give you an idea of how far you can go with your money. They are correct at the time of writing, but fares tend to increase each year in line with inflation

**Standard day returns** (out any train, back any train same day as far as Newport), Carmarthen £7.10, Swansea £11.20, Cardiff £18.60, Newport £22.20. A day return is usually not much more than a single.

**Saver returns** (not available on certain trains, just turn up, buy ticket and return within a month), London £71, Bristol £33, Manchester £64, Penzance £92, Glasgow £142.

**Advance purchase** (various schemes - like APEX, Advance Purchase Excursion) can reduce price of return ticket dramatically, London £30, Bristol £22, Manchester £26, Basingstoke £29, Penzance £37 and Glasgow £57. These are probably the cheapest prices you will get. Ask at station or travel agent and book well in advance naming the train(s) on which you will travel, though some seats will not be available until a few weeks before the date of travel.

Pembrokeshire Rail Travellers Association (see box below) can supply a four page booklet giving more detail on fares, or you can go and talk to your local travel agent or surf the net.

This guide was produced by the Pembrokeshire Rail Travellers Association (PRTA) who have done their best but accept no responsibility for the accuracy of the information it contains.

The PRTA is a voluntary group working to improve transport in the county. Members receive six newsletters a year and information on train times and fares. If you would like to help us try to improve rail services, you can join us by sending your name, and email address and £4 (all PRTA material comes by email) or postal address and £7 (all PRTA material comes by post) to our membership secretary: Robert Best, 11 Warwick Road, Milford Haven SA73 2LP.

## Bargains

The **Pembrokeshire Railcard** can save you money on train fares, especially local journeys. It costs £5, lasts a year and entitles you to a third off the cost of savers and day returns as far as Swansea. So you can get to Carmarthen and back in a day for £4.80 and Swansea £7.50. You can buy your card at Milford or Haverfordwest station or at Milford Travel. If you have no rail card of any kind yet you will need to take two passport photos with you. Otherwise take your existing rail photocard.

**Group Wales** allows a group of between three and nine people to travel out and back together at "25 percent off the full price ticket". Arriva allows it on *standard day returns* from Pembrokeshire (all day Saturdays and Sundays, and after 9am Monday to Friday). Each of the group could therefore travel to Cardiff and back for £13.95. Just ask on the day.

If you are over 60, a **senior citizen railcard** may help you. It costs £24 for a year, but if you live in Pembrokeshire you can claim back £12 from the County Council. It will give you a third off most tickets, but not Apex. Buy one from Milford or Haverfordwest station, Milford Travel or Council Offices at Haverfordwest or Llanion.

Other railcards which give a third off include **Young person's, Family, and Disabled persons railcard**.

If you travel out from Milford beyond Carmarthen, you can, should it prove more convenient return to Pembroke Dock and vice versa. This could be especially useful to those who start from Neyland.

For a train/walk day out, the **West Wales day ranger** costs £7.80 and allows you a day's unlimited travel (after 08.45 Mon-Fri, all day Sat/Sun) on all lines west of Carmarthen (to Milford, Pembroke Dock and Fishguard).

For small add-on to your rail ticket, **Plus bus** allows you 'unlimited' travel on buses in the area around your destination. The rules are all slightly different for each town, but plus-bus is available at Swansea, Neath, Port Talbot, Bridgend, Cardiff, Newport and Bristol. Phone Traveline Cymru on 0870 608 2 608.

For £6.60 adults and £4.40 children (£3.30 accompanied children) you can buy a **West Wales Rover ticket** which allows unlimited travel on buses (except 322) in Pembrokeshire, Carmarthenshire and Ceredigion for a day. Buy yours from the driver.

**And remember, everything can change at short notice, so please check times and fares before travelling.**
